COMMUNICATION

The decision granting applicant's petition to revive an unintentionally abandoned application pursuant to 37 CFR 1.137(b) mailed 20 September 2005 erroneously indicated that a declaration was filed in the international application pursuant to PCT Rule 4.17(iv). However, no declaration was filed in the international application. An English translation of the international application is also required.

The decision also provided a 35 U.S.C. 371(c)(1), (c)(2) and (c)(4) date. This date should be disregarded. Applicants have not yet completed the requirements for acceptance under 35 U.S.C. 371(c).

This application is being forwarded to the United States Designated/Elected Office for further processing including mailing a Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) (Form PCT/DO/EO/905) indicating that an oath or declaration, an English translation, a surcharge fee and a processing fee are required.
